Corner Fit, 'Y'-Splitters and Door Sensors

Bedrooms are perhaps the most personal room in the house. We need to feel relaxed and comfortable there, and yet a bedroom can be a personal sanctuary, double as an office or a studio.

We have designed our bedrooms with this flexibility in mind.

Traditional if necessary, or fashionable to taste. Many options are available to answer the need for the flexible bedroom, from pilasters to alcoves, shaped pelmets to matching headboards.

We offer a full range of frame door options and also the fashionable feature doors with frosted glass effects.

Our attention to detail is represented in the way all our bedrooms show door handles, which have been specifically selected to complement the overall design effect.
